Ohio's Early Learning Initiative (for Preschool Aged Children Only):

The Early Learning Initiative (ELI) Program is a full time, early learning and school readiness program for children ages 3 to 5 (or kindergarten eligibility) funded by the State of Ohio, in collaboration with the Ohio Departments of Education and Job and Family Services. Families may qualify based on annual income, currently determined up to 185% of the Federal Income Guidelines. Preschool-aged children whose families qualify at or below 165% of the ELI Guidelines may receive full time care with no charges to the family. *Children whose families qualify above 165% of the guidelines will pay a monthly co-pay, on a sliding fee scale determined by income and family size.* There is no registration fee for ELI families. Head Start can assist families in determining if they are eligible, although the Knox County Department of Job and Family Services makes final determination. **Please check the box at the bottom of the page if you believe you may qualify.**
