

Neuroscience Senior Exercise Topic Approval Form

Student's Name: _____

Tentative Title of the Research Proposal:

In the box below please give a 1–2 paragraph summary of the topic of your research proposal, perhaps indicating the possible hypothesis(es), subjects, and/or general methodology to be used.

After discussing the topic/hypothesis(es) with the student, we consider the topic/hypothesis(es) to be sufficiently different from previous assignments and appropriate for the Neuroscience Senior Exercise.

Signature of Senior Exercise Advisor

Signature of Committee Member from the
Advisor's Department

Signature of Neuroscience Faculty Member
(from outside the Advisor's Department)

***Note:** Significant departure from the approved topic may require the submission of a new Topic Approval Form.*
