KAP Digital Imaging Course Exit Survey

Student surveys are an important assessment tool. After most of the questions there are blank spaces for you to elaborate or explain your answer. Thank you for taking the time to complete this exit survey. You can write your name on this survey or remain anonymous.

1. Overall, I was satisfied with the quality of the digital imaging class? Yes No

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2. The teacher gave clear expectations for each assignment? Yes No

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3. I received adequate feedback on my work through class critiques, suggestions from my teacher, and advice from my peers? Yes No

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

4. I was motivated to learn in the digital imaging course? Yes No

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

5. This course helped me to develop my thinking skills? (Example: problem solving and analyzing) Yes No

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
6. The learning resources (project examples, handouts, video examples etc.) were valuable?  
Yes         No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

7. My ability to work independently has improved?    Yes          No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

8. This course challenged me to accept peer/teacher criticism and rework projects based off of this feedback?  Yes        No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

9. This course provided basic knowledge about Photoshop and the scanner as a tool to capture and compose images?  Yes        No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

10. As I progressed through the course I was able to build on my basic Photoshop skills and techniques and apply this basic knowledge to new situations and new projects?  
Yes         No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

11. As I progressed through the course I began to grasp the basic process of using Premiere Pro (Or Final Cut Pro) as a tool to edit video?  Yes        No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
12. My ability to collaborate with peers has improved?    Yes           No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

13. Each digital imaging assignment required problem-solving that required more than routine calculations?    Yes           No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

14. The digital imaging projects had open-ended activities that required more than one “right” answer?  
Yes           No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

15. The still imaging and time based media assignments encouraged individual creativity/solutions?    Yes           No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

16. The digital imaging class challenged me to communicate with peers in a variety of ways?    Yes           No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

17. Do you feel that you were challenged with course content and application exercises?  
Yes           No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
18. Was the instructor approachable when asking a question?   Yes    No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

19. Did the instructor encourage each student to work or progress in a manner that was comfortable with their own learning styles or preferences?  
Yes       No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

20. Were you given sufficient in-class time to complete the projects?   Yes    No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

21. I believe this course provided a basic foundation of video and video editing that will be useful as I take other high school/college courses?  Yes    No
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

22. How will the concepts from this class benefit you in the future?
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
23. Do you have any suggestions that would help improve the digital imaging course?

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

24. What was your favorite part of this course?

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________
25. What valuable concepts/new knowledge did you acquire in this class that you will be able to use/apply in your every day life?

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________
