CAMPUS SAFETY MISSION STATEMENT

The Office of Campus Safety is responsible for the overall security and safety of the Kenyon College Campus. The Office of Campus Safety works together with our community to create a safe and secure campus, mutual respect for others, with responsible behavior fostering the desire to learn and live justly together. Campus Safety is the foundation for maintaining a strong community that will foster rigorous intellectual, ethical, and personal formation of its students, preparing them for citizenship, service, and leadership for a global society. The Office of Campus Safety will always rely on its core values which are respect, integrity, service and excellence.

COMMUNITY REPORTING AND RESPONSE

The campus watch program, based on the concept of neighborhood watch programs, is a concerted effort to inform the Kenyon community of measures that can be taken to provide a safer and more secure environment. The aim of the program is for each member of the community to act as an extension of the Office of Campus Safety by serving as an observer and reporter. Campus Watch calls upon members of the Kenyon Community to step forward and assist in building a safer campus and community for all.

AUTHORITY OF SECURITY AND SAFETY PERSONNEL

Kenyon College Campus Safety Officers do not have the right to physically detain anyone, except as provided by law. Campus Safety Officers are not commissioned as Peace or Law Enforcement Officers by the State of Ohio and consequently carry no arrest powers. In cases where law enforcement is needed, the Office of the Knox County Sheriff will be notified, along with the Director of Campus Safety or his/her designee. MISSING STUDENT

Suspected cases of missing students should be reported immediately to the Office of Campus Safety (x: 5000). If the Office of Campus Safety and/or Student Affairs so determine, the report of suspected missing student(s) will proceed to the Office of the President and Student Affairs. If the Office of Campus Safety, Student Affairs, and/or the President so determine, an investigation may begin. The Director of Campus Safety in collaboration with the President and the Dean of Students will determine whether or not to contact the Knox County Sheriff's Office prior to 24 hours after the student was first considered missing. If a student has been missing for more than 24 hours, the College will notify the Knox County Sheriff's Office, the person identified as the "confidential contact" on the student's emergency contact card, and a parent/guardian if the student is under 18 years old. The Director of Campus Safety, the President, and the Dean of Students may choose to notify other staff, certain students, and family members of suspected missing students at any time. If a student is determined to have been missing for more than 24 hours, the Director of Campus Safety in collaboration with the President and the Dean of Students may choose to send a general notification to the community both to seek assistance and to report the situation.

SUSPICIOUS PERSONS

When reporting a suspicious person involved in an activity, please be as observant as possible. Without being obvious, attempt to make the following mental or written notes:

Gender, race, approximate height (use landmarks, pole lights, etc. to judge), build, hair color (or hat), clothing, if possible distinguishing marks, birth marks, tattoos, etc. If a vehicle is involved in suspicious activity, attempt to get a description of vehicle, license number, if possible, and direction of travel.

The Knox County Sheriff's Office may also be accessed by dialing 9-911 from a campus phone, or 911 from a public phone.

TIMELY WARNING

Timely warnings are distributed to members of the Kenyon College community whenever a crime or other substantial threat is believed to be present to the members of the community. This information will be disseminated by means of email. The Office of Campus Safety maintains a close working relationship with the Office of the Knox County Sheriff and information sharing is conducted on a regular basis as is needed to maintain, to the extent possible, a safe environment for the Kenyon College community.

RESIDENTIAL BUILDING SAFETY

Residential Halls are secured by a card access system. The hours and access of the Halls has been directed by the Office of Housing and Residential Life. Apartment-style housing is secured using keys assigned to the residents of those living areas only. To ensure the safety of the occupants and visitors in each living area, it is college policy that all doors remain locked and not propped open. The Office of Campus Safety ensures a walk-through of residential buildings and ensures the doors and areas are secured. In the event that a community member sees a door propped, they are to call the Office of Campus Safety immediately at ext. 5000.

ACADEMIC AND ADMINISTRATIVE BUILDING SAFETY

Currently, the college is in the process of making all buildings on campus secure through the same card access system as the Residential Hall buildings. The buildings that are on the card access system are scheduled to be accessible to the community and decided by the head of the department. Safety Officers follow a schedule to ensure buildings are walked through, locked and/or unlocked at pre-determined times, regardless of the building type.

SHELTER IN PLACE

Some emergencies will require you to remain inside. "Shelter in place" means staying put and, if possible, choosing a small room with as few windows as possible for refuge. To shelter in place stop classes, work, or business operations. Remain inside the building and ask others to do the same (assign an individual to ensure other occupants know of the need to shelter in place). If possible, relocate to a room on the safest floor, preferably interior, with the fewest windows and vents, as far as possible from the location of the incident. Call emergency contacts to let them know who is sheltering in place, and that they are safe. Close and lock all windows, exterior doors, and other openings to the outside. Do not erect barricades or obstacles in the event a fire or other incidents make it necessary to evacuate. Remain sheltered until otherwise directed by College officials.

STATE LIQUOR LAWS

(The following is an excerpt from the Kenyon College Student Handbook)

Kenyon College's alcohol policy reflects its intention to adhere to the state and local laws governing the use, distribution, and consumption of alcoholic beverages. Kenyon is subject to these laws and administers all policies in accordance with their current interpretation. Thus, Kenyon's specific alcoholic beverage regulations are designed to encourage responsible drinking and behavior by clearly stating what is expected of those who choose to consume or serve alcohol. If alcohol is found in a shared living space where all residents are under the legal drinking age (21), all residents will be held accountable for this policy violation. Violations of these regulations will result in disciplinary action.

POSSESSION AND/OR USE OF ILLEGAL DRUGS

Kenyon College will not serve as a haven for those wishing to participate in the possession and or use of illegal drugs. A complete statement regarding state and federal laws may be found in the current Kenyon College Student Handbook. For both students and employees, federal, state, and local laws provide a variety of penalties for the unlawful possession or distribution (i.e., trafficking) of illicit drugs or alcohol. There are fine and sentence penalties under federal and Ohio law for various alcohol and illicit drug-related offenses.

COUNSELING AND TREATMENT PROGRAM AVAILABILITY

Drug and alcohol counseling is available to students through the Health and Counseling Center. The counseling service is staffed by a substance-abuse educator and counselor. Individual therapy is available for alcohol and/or other substance abuse. A number of support groups are on campus, including KAAG (Kenyon Alcohol Awareness Group), KADE (Kenyon Alcohol and Drug Education), and KCOA (Kenyon Children of Alcoholics/Addicts). Alcohol and other drug counseling is also available to students through the Alcohol and Drug Freedom Center at 106 East Gambier Street in Mount Vernon, 740-397-2660. The Freedom Center offers assessment, counseling, referral, and recovery education and support. The professionals on staff answer a twenty-four-hour "hot line" to care for the community.

Various treatments programs are available outside Knox County, including Shepherd Hill in Newark, Ohio, and the Columbus, Ohio, programs at Talbot Hall, Parkside Lodge, and OSU/Harding Hospital. Through the years, Kenyon has established lines of communications with these facilities to facilitate the referral of a student or staff person for evaluation and/or care.

Various Al-Anon and Adult Children of Alcoholics (ACOA) groups are available in Knox County and the surrounding area. A list of programs is available through the Freedom Center and the local Alcoholics Anonymous chapter at 740-393-2439.

Sex discrimination and sexual harassment can take many forms, including but not limited to the following:

- repeated and unwanted comments that stigmatize another on the basis of one's sex;
- subtle pressure for sexual activity;
- sexually harassing statements made through electronic communication;
- graphic comments about a person's body;
- sexually explicit pictures or suggestive objects placed in a living or work space that a reasonable person would find offensive;
- unwanted propositions of a sexual nature, or demands for sexual favors;
- stalking;
- non-consensual sexual intercourse;
- non-consensual sexual contact;• sexual exploitation;
- endangering the health of another person by exposing him or her to a sexually transmitted disease or condition without notifying the person in advance;
- unwanted telephone calls or e-mail with sexually explicit content.

Off-campus misconduct between students may lead to the creation of an on-campus hostile environment that constitutes sexual harassment. Therefore, student-on-student sexual harassment complaints that involve off-campus activities will be processed in the same manner as other complaints.

Penalties

Any student found responsible for violating the policy on sexual harassment will likely receive a recommended sanction ranging from warning to dismissal, depending on the severity of the incident, and taking into account any previous campus conduct code violations.

DAILY CRIME LOG

A Daily Crime Log is maintained by the Office of Campus Safety and is available during regular business hours. The crime log contains reported crimes on or near the campus of Kenyon College and is available within two business days of the event. In cases where disclosure of certain elements of the incident would jeopardize an investigation, these elements will be withheld. The crime log will contain the date, time, and location of complaint. The crime log also includes the nature of the complaint and the most current disposition known to the report maker.

Security and Crime Reporting

Campus Crime Statistics are recorded by calendar year, not academic year, and are to be reported no later than October 1 of each year. The Crime report covers a three-year period; for example, the October 2014 report will contain the crime statistics of calendar years 2013, 2012, 2011. Records are archived for seven years. All present students and employees as well as potential students and employees have access to the report and the report is available to anyone requesting the document.
