

**DEGREE REQUIREMENT
PROGRESS SHEET FOR ADVISORS
BIOLOGY MAJOR**

** Transfer students must submit a recommendation with rationale for the assignment of Kenyon biology courses in the major which can be satisfied by transfer credit. A dated and signed departmental letter approving transfer credit for particular Kenyon courses in the department must be sent to the student and the advisor, and a copy placed in the student's advising folder.

Student Name: _____

Introductory lecture courses (to be completed within four semesters of starting this series)

Bio 115 _____ Bio 116 _____

Introductory laboratory course (to be completed by the end of the sophomore year)

Bio 109-110Y _____

6 Lectures: at least one course from each of the three categories below; at least one 300-level course

228 _____	233 _____	238 _____	241 _____	243 _____	245 _____	251 _____
253 _____	255 _____	261 _____	263 _____	272 _____	321 _____	328 _____
333 _____	336 _____	352 _____	358 _____	362 _____	366 _____	375 _____

_____ Environmental Biology: 228; 241; 251; 253; 261; 272; 352; 362

_____ Organismal Biology/Physiology: 233; 238; 243; 245; 336; 358

_____ Cellular and Molecular Biology: 238, 255; 263; 321; 333; 366; 375 ; CHEM 256

4 Laboratories

229 _____	234 _____	239 _____	244 _____	256 _____	262 _____	264 _____
322 _____	337 _____	346 _____	349 _____	353 _____	359 _____	367 _____

(½ unit of credit earned as Research in Biology or Senior Honors can serve as one laboratory requirement)

385 _____ 386 _____ 497 _____ 498 _____

One year of Intro Chemistry (or equivalent)

CHEM 111-112 or 115-116 _____

Recommend minimum of 1 year each: Math _____ Physics _____ Organic Chemistry _____

Senior Exercise P/Distinction:

Code System:

K= Kenyon T=Transfer Credit P=Petition Granted
O=Off Campus Study A=AP Equivalency
