MEGAN HARVEY '05

**Flight Controller and Instructor
For the International Space Station**

Flight Control for the International Space Station

Megan Harvey is an Attitude Determination and Control Officer, a motion control instructor, and a liaison with the Russian International Space Station team. She will discuss flight control operations, the way the ISS determines and controls its orientation, the ins and outs of an international space team, and her path to her dream job from Kenyon to Johnson Space Center.

Friday, April 7, 2017 - 3:10 pm

**Franklin Miller, Jr. Lecture Hall
(Hayes Hall 109)**

Reception to follow.
