CONTACT: CATALINA ODIIO odiocd@kenyon.edu GEORGIA STOLLE-MCALLISTER stollemcallister1@kenyon.edu

The Kenyon *Open Doors College Prep Program* empowers students of all backgrounds to achieve at the highest level in preparation for college entry. From September to April, our course engages middle school and high school students in classes that emphasize goal setting, small-group learning, and an individualized approach.

Our class topics include:

- SAT/ACT preparation
- Crafting effective college essays
- Identifying financial aid and scholarship opportunities
- Workshops to enable students and their families to navigate the admissions process

As tutors, Kenyon mentors will have the opportunity to:

- Build meaningful relationships with the Knox County community
- Hone the skills necessary for careers in bilingual education, non-profit collaboration, and teaching diverse populations
- Apply their academic understanding of educational inequities outside of the classroom, as they work to advance equal opportunity
