

1973 Housing Options

Registration page

Note: North Campus
Apartments are not
handicap accessible

Group Housing

Important Notes

- If someone on the Class of 1973 Reunion committee registers for local hotel housing, they will automatically be assigned to the Kenyon Inn (unless otherwise requested). Available Thursday - Sunday.
- If someone from the Class of 1973 registers for group housing, they will automatically be assigned to the North Campus Apartments. Please note: The NCAs have multiple sleeping configurations and there are multiple beds in a room (8 units that sleep 8, 4 units that sleep 4). The NCAs have several steps and the units that are available are not handicap accessible. Available Friday - Sunday.
- Please note: The NCAs will need to be booked by one point-person in a group, with specific bed assignments decided by the group without input from the College. However, in order to secure Thursday accommodations, in addition to Friday-Saturday group housing, each individual registrant will need to select "Someone else has registered me for housing" then select that they need a Thursday local hotel as well and pay for that night individually.
- If someone from the Class of 1973 registers for the local hotel housing option, they will automatically be assigned to one of the Mount Vernon hotels (e.g., The Grand, Mount Vernon Inn, or Holiday Inn Express). Available Thursday - Sunday.
- If someone from the Class of 1973 registers for a single or double dorm room, they will automatically be assigned to Mather Hall (Please note: Mather Hall has air conditioning, but no elevator. First floor rooms can be made available if the registrant selects "ADA housing." This residence hall has a few steps required to enter the building). Available Thursday - Sunday.
- If someone from the Class of 1973 registers for RV Camping, their campsite will be near the baseball field on campus.
