Fall Enrollment

• Why is fall enrollment higher than usual? Was it planned?
  • Larger number of seniors need to complete one semester to graduate
  • About half as many juniors slated to go abroad
  • Larger than anticipated Class of 2025
    • Many of our peers are also experiencing this scenario
    • Pandemic created a new recruitment process, with no historical modeling from which to base decisions
Solutions

• About 55 students in the Class of 2025 will spend fall semester in Copenhagen with the DIS program

• All returning students were offered the opportunity to secure their own off campus housing

• The College has leased apartments off campus for students to select

• The Kenyon Inn is temporarily transitioning to student housing
Solutions

• 10 McIlvaine Apartments will house 3 students/unit (30 total)

• Additional 31 spaces added throughout College housing
  • Doubles to triples, singles to doubles
  • Apartment occupancy expanded
