

## Your Kenyon Post-50th Reunion

Return to Kenyon this spring and celebrate the campus you still think of as “home.” Kenyon’s spring semester will be in full swing and ready for your arrival and participation with our current students, faculty and staff!

While the Village has evolved, the spirit of Kenyon remains strong. Join us for classes and seminars and help us to connect the traditions of the College with the fascinations of modern life. We are very excited to spend time with you back on the Hill.

Very best,

Scott R. Baker '94

Associate Vice President for Alumni and Parent Engagement
