Scholarships or other awards made by institutions other than Kenyon must be paid to the College within 30 days after fees and charges are due.

The fall plan opens for registration July 22, 2020, with payments commencing August 1, 2020. The spring plan opens November 1, 2020, with payments commencing December 1, 2020. ## PENALTIES

*A student is not officially registered until all fees and charges are paid.*

**Past-due accounts:** In accordance with rules established by the Board of Trustees, an additional fee of 1.5 percent of the amount remaining unpaid at the close of business on the day on which it is due will be added to the balance of any account not paid when due. Registration for admittance to classes is not complete until the student's account is paid in full. In addition, any student whose bill is 30 days past due may be suspended from all College privileges until payment has been made. The 1.5 percent penalty will also be assessed against any account that receives credits for a tuition payment plan contract that is terminated for nonpayment.

**Transfer or withdrawal:** A student who wishes to transfer credits to another institution or to withdraw from the College must pay in full all indebtedness to Kenyon, including all amounts borrowed, before a transcript of record will be issued or the request granted. *Transcripts are not released until all payments are made.*

## REFUND POLICY

If a student chooses to withdraw for a non-medical reason during the first 60% of the semester, the College will pro-rate a tuition refund based on the percentage of the semester completed. If the withdrawal is effective after 60% of the term has been completed, tuition for the semester will not be adjusted. Board charges will be credited for the term based on the percentage of the semester completed. Room rent and other fees and charges are not refundable.

**Federal Refund Policy:** Students receiving financial assistance under Title IV of the Higher Education Act of 1965, as amended, who withdraw during the first 60 percent of the semester (measured in calendar days), will be subject to a "Return of Title IV Funds" calculation to determine the portion of their federal student aid that must be returned to the federal government. Students who withdraw after the 60-percent point are considered to have earned all of their federal student aid. State aid reductions may also be required in accordance with each state's regulations.

**Tuition Refund Insurance:** The Tuition Refund Plan offered by A.W.G. Dewar significantly extends or enhances the College's refund policy and may increase the refund of covered term fees in the event of withdrawal due to accident or illness. Subject to policy conditions, the policy assures 75% of the insured term tuition and fees, less any refund or credit due from the College, in the event of a medical withdrawal due to accident or illness. The Tuition Refund Plan provides coverage for billed tuition, room, board and the student activities fee. Room coverage is restricted to the standard residence hall double-occupancy fee and is not adjusted for variations in the student's actual living arrangement.
