Thank you for participating in the 2019 NACUBO Tuition Discounting Survey!

NACUBO has collected data on institutional grant awards for first-time, first-year undergraduates and all undergraduates and tuition and fee rates from four-year independent colleges and universities for nearly 25 years. This long trend line allows for the comprehensive analysis that has come to be associated with the Tuition Discounting Study (TDS), one of the most esteemed studies on discount rates in the nation. Our study's success has been built on hundreds of private institutions like yours contributing data and insights on discounting practices on campus. We appreciate your time and effort and thank you in advance for your participation. Data collection will **close on November 22**, **2019**.

Your data will be kept confidential and will be reported in aggregate. Responses to open ended questions will be kept confidential. No identifiable information will be shared; however, we may use some of your statement(s) as a quote in the report.

Plan

It isn't uncommon to have several members at your institutions collaborate to complete the survey. You may use a <u>preview of the survey instrument</u> for your staffs' planning purposes. This will help prevent you from unintentionally locking yourself out of your survey through an accidental submission.

More Details

All institutions that participate in the 2019 TDS will receive: (1) access to the TDS preliminary results, which will be released in March 2020; (2) a complimentary copy of the final report in May 2020; and (3) access to peer analysis data through the new NACUBO Tableau benchmarking tool. Click on the links for more details about the <u>Tuition Discounting Study</u>.

Questions

If you have any further questions or problems with your survey please contact NACUBO Research (research.nacubo@nacubo.org).

Thank you for your time and your continuing support of the NACUBO Tuition Discounting Study!
