

HEDS Undergraduate Tuition and Fees - 2014-2015 Academic Year

Thank you for participating in the HEDS Tuition and Fees Survey.

Use this survey to report expenses for a "typical" residential freshman at your institution. Please submit only announced official numbers for tuition, fees, room and board (TFRB) for the upcoming academic year. If at all possible, we would like you to list all fees and charges separately; please do not report combined or comprehensive fees.

If you have questions about the HEDS Tuition and Fees data collection, please contact Hannah Spirrisson (spirrish@wabash.edu; 765-361-6343).

Please enter the date on which your 2014–2015 tuition, room and board, and mandatory all-student fees were officially announced (e.g., January 1, 2014 = 01/01/2014):

Please enter the following figures for the 2014-2015 academic year (e.g., \$30,000):

|  | 2014-2015                          |
|--|------------------------------------|
| Tuition  | <input type="text" value="45500"/> |
| Room (average or flat rate)*   | <input type="text" value="5030"/>  |
| Board (most comprehensive contract)*   | <input type="text" value="6530"/>  |
| Student personal expenses (includes books and supplies, but excludes travel) | <input type="text" value="2370"/>  |
| Average student travel expenses  | <input type="text" value="900"/>   |

\*If your institution can only report a comprehensive fee, please report the 2014–2015 comprehensive fees below, and include a note in the Comments section at the end of this survey stating that your institution announces only a comprehensive fee.

|  | 2014-2015            |

**If Health/Accident insurance and health services fees can be waived, please describe below how and when these charges may be waived:**

**Please enter First Year Student Fees and Deposit information in the following spaces:**

**Note - A Matriculation Deposit is a payment made to hold a place in the entering class which can be applied toward tuition fees, room and board, or other expenses when the student enrolls (in some cases a deposit may be refundable). A Matriculation Fee, on the other hand, is a fee that a student pays to cover the cost of matriculation and is not applied to other expenses.**
